ABOUT OUR PHOTOGRAPHER

CHRIS DULBAN

Chris Dulban received his Bachelor of Arts degree from the College of Charleston and resides on Isle of Palms. He has lived in Mt. Pleasant and Charleston, South Carolina,

as well as Minneapolis, Minnesota; Miami, Lakeland and Tampa Florida; Montgomery, Alabama; and Mexico City, Mexico. He believes that every part of the world has its own unique beauty.

Dulban has been an avid photographer since childhood and pursued his passion as time and life permitted. He views photography as art and enjoys the creativity and incredible quality facilitated by the digital S.L.R. camera. As an avid outdoor enthusiast, Dulban tries to convey that enthusiasm to others through his original, fine-art photography. He is now one of Charleston's premier nature photographers, with an eye trained to reveal the simple beauty found in nature and the ability to capture the essence of the area. His work is currently displayed in various galleries and restaurants throughout Charleston. His work, including the photographs in this magazine, is available for purchase and may be viewed at www.dulban.com.
